**Subject:** February 2019 - beat report for Dane Valley ~[OFFICIAL]~

Good evening everyone,

Please find attached the beat report for February 2019. If possible, can I ask each parish council if they find this report useful and if the information is distributed to councillors or reviewed? We have recently had a review and other beat areas covered by Sandbach local policing unit have been made aware by their councillors that they no longer utilise these reports and that they now refer to our social media pages where our updates are placed.

Please let me know your thoughts.

Kind Regards,  
Liz
