VILLAGE HALL PLANTING PROJECT - The border at the Village Hall is now planted with a variety of colourful, evergreen shrubs. They are all young plants which will take around 18 months to mature, and with this in mind we will also be adding a swathe of colour to the front of the border in early June with non-stop begonias. We will make plans for further planting later in the year.

We would like to thank the local groups and individuals for their generous donations to the project.

PARISH COUNCIL MEETINGS

- Village Hall Management Committee Meeting – 4th May 2021
- Parish Council & Planning Committee – 5th May 2021

All meetings will be held by Zoom Video Conference until further notice (joining instructions are posted on the notice boards and on the website at <https://Goostrey.info>). We will indicate on meeting notices once Government Restrictions are relaxed sufficiently for the Parish Council to hold regular meetings in person.
