### **ROAD SAFETY**

In July the Parish Council was presented with a petition, signed by over 100 residents, requesting a review of road safety in Goostrey. The Parish Council recognises that speeding vehicles are a high priority concern for Goostrey residents and has, over the years, taken every opportunity to raise road safety with the appropriate organisations. The council extended an invitation, via the organiser of the petition, to attend a meeting with councillors to understand the specific areas of concern and identify what actions could be taken. At time of writing the meeting had not taken place but an update will be provided in future newsletters.
